## GILMER COUNTY WILL BE BLACKED OUT NEXT MONDAY

### New Air Raid Signals to Be Used For First Time As Eight Counties Are In Darkness

Next Monday Gilmer County will be blacked out again, this time using the new air raid signals for the first time. Seven other counties: Clay, Braxton, Calhoun, Ritchie, Pleasants, Tyler, and Wetzell, will be in darkness at the same time.

The new air raid signals are:

1. The BLUE SIGNAL, indicating that enemy planes may be coming, is indicated by A LONG, STEADY ON AN AIR RAID SIREN, HORN OR WHISTLE. Lights must be blacked out on this signal.

2. The RED SIGNAL is indicated by a series of SHORT BLASTS ON THE AIR RAID OR WHISTLE OR A RISING AND FALLING SOUND. This indicates that enemy planes are overhead. Lights should be kept blacked out.

3. After the RED signal there will be a BLUE signal. This does not mean ALL CLEAR. It means that enemy planes are no longer overhead and that one should be on the alert because the planes may return. Lights must be kept blacked out.

4. A BLUE signal may not always precede a RED signal; there may not be time enough. But a BLUE signal will always follow a RED signal.

5. The ALL CLEAR will be indicated by the switching on of the street lights that were out during the BLUE (blackout) or by announcement transmitted by radio, telephone, messenger or other means.

## BOYS MAKE TOOTH POWDER, SHAMPOO IN CHEMISTRY

The chemistry class, now consisting of four senior boys: Jack Bailey, Junior Simmons, Arnold Hall Johnson, and Earl Ray Ellis, have been doing some interesting work in laboratory. Before Mrs. Davies, former chemistry teacher resigned, they made tooth powder and shampoo and had planned to make hand lot in. Mr. William Hall, who has replaced Mrs. Davies, said that the class would go ahead and make the lotion as soon as they get a few materials which are needed.

## TERROR CAPTAINS ARE ABLE SPEAKERS AS WELL AS BASKETBALL PLAYERS

Those three Red Terror captains, Rondall Gainer, Bob Whiting, and Ted Fultineer, should be good speakers as well as good basketball players by this time, since they have been getting a great deal of practice in the art of both recently. In a series of four these meetings, recently, these boys have been asked to talk to the student body.

March 12, just before the Terrors won the Sectional, they attended a thuse meeting; March 19, before the fighting Terrors tore up the works at the Regional by defeating Roosevelt-Wilson and Washington Irving, there was another series of speeches; and on March 22 the Student Body sent the team off to Morgantown with a rousing pep meeting.

The theme of Bobby's talks was "We've passed one hurdle; there's a higher one to go over." Principal Boggs, who talked at each meeting, ran out of speeches, he said, and before the final send-off" read an original poem telling the deeds,

## DR. RUTENBER SAYS ONE - TRACK MIND MAY BE BEST KIND

### Speaker Urges Wisdom Of Choosing Wisely And Making Right Decisions

"Concentration is the essence of success; if a one-track mind is on the right track, then it's the best kind of a mind to have" stated Dr. Culbert Rutenber, head of the Department of Philosophy of Eastern Baptist Theological Seminary, Philadelphia, in a talk to the high school students in assembly March 24.

Dr. Rutenber, who was here conducting a series of meetings at the local Baptist Church, went on to say, "He that maketh his decisions with Christ, that individual shall be saved." He asked: "If you had your choice of a father, would you have chosen one who owns everything, and would love you with an everlasting love?" He said that many people, it seems, would not choose such a father, because "This is just the kind of father God promises to be to everyone, but still, many do not accept Him."

## THE RED TERRORS

The Red Terrors are a team that sure go  
And they're coached by a fellow named Joe,  
Are they good? Well, I'd reckon!  
It's seldom they rank second  
And of their fairness and squareness all know.

At basketball they really know how to throw.  
They pass 'em high and they pass 'em low.  
They can do it so quick  
That it's quite a slick trick  
And we're proud that they're fast and not slow.

If they do happen to lose, why, who cares?  
It most certainly won't give me gray hairs.  
For I'll tell you right now  
We're sure proud, and how!  
Of the team that is called the Red Terrors.

## LIBRARY BOOKS DESERVE GOOD CARE AND KIND TREATMENT

Did you ever notice a look of disgust appear suddenly on Miss McGee's face? Usually, Miss McGee, the librarian, is smiling, but the smile can change to a frown when she sees students mistreating her children—the library books.

Some of these books are old and tattered, but they might have stayed in better condition and have had longer lives if the students of Glenville High School had shown more consideration for them. Books don't like to be banged around anymore than you do. Yet most of us are guilty, at one time or another, of dogearing, scratching, marking books which do not even belong to us but to the school. How would you feel if you were left out all night in the rain or dropped or slung into a corner somewhere?

Remember the golden rule: "Do unto others as you would have others do unto you" and apply it, not only to people but to other people's property; in this case to library books.—Margy Jack

## CLASS TOURNAMENTS TEACH MANY GOOD LESSONS

Each year in Glenville High School some class sponsors the Class Tournament which is held not only for the enjoyment it gives but to teach one of the biggest phases of school life—cooperation and sportsmanship. These tournaments give the boys a chance to play against each other. Most of these boys are out for practice during basketball season, and are all working toward the one goal of Glenville's winning—which is only right. But sometimes it is good to pit the boys against each other. If they show that they can play successfully together without any childish quarrels and fights these same boys are capable of going on from basketball, into the game of life.—Margy Jack

## WE SALUTE YOU

Three students deserve to be commended for the splendid help they have given the Red Terrors this season. Although they were not players, much of the success of the team has been due to their loyalty and support.

Although it has at times been hard to get transportation to the games, these students have always been "on the job," urging the boys to do their very best. Their support has been important. This is proved by the fact that when any of the team has been called on during the year for a speech, he always expressed the wish that these persons would be there to back the team, during the game.

These cheer leaders, Peggy June Adams, Betty Rose Hardman and Don Shreve, could, of course, have done very little without the support of the cheering delegation, but they led this delegation so well that we wish to commend them.—Earl Ray Ellis

## DR. POWERS SAYS, "WE MUSTN'T DIE ON THIRD; BASES ARE LOADED"

At assembly March 18, Dr. Powers, head of the Theological Department of Eastern Baptist Seminary, Philadelphia, emphasized to teachers and students that "We mustn't die on third." Dr. Powers compared life to a baseball game saying that the bases are loaded and we are at bat. A great deal depends on whether or not we strike out. If we do, other people's lives as well as our own will be affected.

Dr. Powers said that "the making of manhood or womanhood ought to be the most important task of our lives." He urged that we "let Jesus be our coach; that we trust Him, follow Him; be loyal to Him."

Dr. Powers who spoke very interestingly and convincingly and was easy to listen to, was conducting a series of meetings at local Baptist Church. He was introduced by the Rev. Gilbert Moore, a former student of his.

## GLENVILLE RED TERRORS WIN REGIONAL TOURNAMENT AT CLARKSBURG MARCH 19-20

**Coach Hall's Boys Trip R-W, W-I To Take Tourney; Whiting and Fultineer Make All-Tournament Team**

Glenville High's hard-fighting Red Terrors won their first Regional "A" Tournament by tripping strong Washington-Irving 48-41 in the finals at Clarksburg March 19-20. It was the Glenville fast break, featuring Whiting, Gainer, and Fultineer, and their excellent foul shooting that did the trick and provided the margin of victory for the Terrors. It was little Fultineer who played a brilliant game by not only giving the ball to Whiting and Gainer on the fast break for points but also leading the scoring with 21 points, stealing the ball away and dropping it into the basket or into the arms of his fellow-mates.

W-I opened the game by scoring 2 quick field goals but Glenville retailed by bucketing 5 straight points and after W-I had posted a 9-7 lead a few minutes later the Red Terrors swept into a lead that was never headed. They had a 11-9 lead at the first quarter, 19-13 at the half, and 33-25 at the third quarter mark. Besides Fultineer's 21 points, Bob Whiting had 17. Lefevre led the scoring for W-I with 9 points and Forsythe had 8.

Glenville opened the tournament on Friday, March 19, by trouncing Roosevelt-Wilson 48-33. The two teams battled on even terms in the first quarter, which ended 7-7. In the second quarter the Red Terrors scored 11 points to R-W's 8 to hold an 18-15 lead at halftime. Continuing to score freely, the Terrors posted a 30-23 advantage at the end of the third quarter. The final quarter was the decisive one of the game as R-W literally went to pieces, Glenville scoring 18 points to their opponent's 10 to win handily. Bob Whiting and Ted Fultineer, although not playing their usual scoring game, posted 13 points each for high-scoring honors while Gainer got 11. "Bud" Lafferty, much-talked-about R-W pivot man, was held to 9 points by close guarding by the Glenville guards, Yeager and Wolfe. Serafine, small forward of R-W, who made the All-Tournament team to which Whiting and Fultineer of Glenville, Moore of W-I, and Heflin of Pennsboro, were named, played a good floor game.

W-I had won its way to the finals by smothering Pennsboro 68-40. Hitting from all angles,

the Hilltoppers led throughout the game, but had trouble guarding Heflin, the 6' 7" opposing center, who dropped in 19 points. Rowland and Moore each scored 12 points for W-I.

## COACH HALL

Coach Stanley ("Joe") Hall, in his first year as head coach of the Red Terrors, guided them through a highly successful season: to the championship of the Sectional and Regional Tournaments, to the Conference championship and then on to enter the State contest at Morgantown.

Coach Hall believes that psychology can be applied to the winning of ball games as well as to winning other things in life.

He is one of those fellows whom people like and get along well with, but still demands that a thing be done is the right way. He is probably the smallest (in size) member of his squad. During his college days as an athlete at Glenville State and at Marshall College, he made up for lack of size in skill and speed.

Mr. Hall is as exacting and thorough in his social science classes as he is on the basketball court or on the gridiron.

### HIGH SCHOOL HONORS BOYS WITH HOLIDAY

Glenville schools was given a half-holiday Monday, March 28, in token of appreciation for the good work that the Red Terrors have done during the basketball season, and especially during the three recent tournaments, the first two of which they won.

Classes met as usual for the first two periods. At 11:00 there was a special assembly at which the school honored the Terrors, then school was dismissed for the day.

**Terrors Defeat All-Stars; Army Reserves Downs Navy Reserves In Game Tuesday**

In the feature game of a doubleheader held for the Red Cross benefit on March 30 at the college gym, the Glenville Red Terrors stopped a tough Gilmer County All-Star five, composed of star players of the other county high teams, by a score of 47-41. The game was close and hard-fought throughout. The All-Stars led at the end of the first quarter 12-11 but in the second quarter the Terrors went to work, forged ahead, and led 21-17 at halftime. The third quarter was a high-scoring one, with both teams "hot" on their shots. In this quarter Glenville scored 18 points to the All-Stars 16 to post a 39-33 advantage at the end of the quarter. Both sides scored 8 points in the final quarter, bringing the score up to 47-41 at the end. Three boys were tied for top scoring honors; Ted Fultineer, who played a bang-up game, Bob Whiting, and Earl Gainer, of the All-Stars, (a Normantown player), each of whom tallied 15 points.

In the second game of the evening the Army Reserves of G. S. T. C. won a thrilling ballgame in the last 5 seconds from the College Navy Reserves 49-48. It was a follow-through shot by the Army's "Jake" Fitzpatrick, former Red Terror, star, that won the ball game. It seemed as if the Navy had won the game, when, with about a minute left to play, Warren Lamb, another former Red Terror cage star, sank a foul, but Fitzpatrick's shot pulled the game out of the fire for the Army Reserves.

All gate receipts went to the Red Cross. About \$68 was taken in.

**Terrors Defeated 44-41 in Hard-Fought Game; Fultiner on All-Tournament Team**

The Glenville Red Terrors were eliminated in the first round of the 30th Annual State Basketball Tournament by the Gold and Blue of Wheeling, 44-41 in a close and hard-fought game. Wheeling went on to win the state tournament the following day by eliminating Beckley 39-35 and Princeton 46-45.

Ted Fultineer and Bob Whiting led all scoring with 17 and 14 respectively. Glenville, although playing very poor ball, jumped into a 4-0 lead early in the game but Wheeling came back to tie the score at the end of the first quarter 10-10. Wheeling out-scored Glenville the second quarter 10-6 to go into a 4 point lead as the half ended. Glenville came back the second half and out-scored Wheeling 25-24. This was Glenville's second appearance in the Field House for such an occasion. In 1941 they won the State "B" Championship.

The All-Tournament team was as follows: Forwards, Walthall, Princeton; Hamilton, Elkins; Fultineer, Glenville; Center, Young, Dunbar; Jackson, Beckley; Guards, P. Clutter and Rickards, Wheeling, and Fletcher, Kingwood.

The ten boys who participated in the high school basketball tournaments held in March were not allowed to play.

Due to the fact that the paper went to press on Thursday we were unable to get the final results.

At the meeting on March 22, Supt. Marvin Cooper was the principal speaker. He complimented the boys on having made so good a record for themselves and for the school and urged them to keep in good condition so they could work efficiently in the final game.

### Dr. Rutenber

Dr. Rutenber's pleasant voice, informal but effective manner, vivid illustrations and excellent choice of words made him easy to listen to. Since he knew that the student body was interested in sports at this time, he told some of his own experiences as an athlete, particularly as a tennis player.

He was introduced to the student body by the Rev. Gilbert Moore, pastor of the local Baptist church.
