'THE PERFECT GIFT' TO BE PRESENTED DEC. 22 IN SPECIAL ASSEMBLY

A Christmas Cantata, "The Perfect Gift," by Philip Jordan and Ruth Dale, is being sponsored by the High School Choral Club and will be given to the student body December 22 at a special assembly.

The cast of the play is made up of Choral Club members and other students. The speaking cast includes the following: Verona Lee Hess, Sue Brannon, Betty Rose Hardman, Ted Fultineer, Jimmy Reed, Bobby Arnold, Don Shreve, Harvey Hupp, Charles Furr, Marion Reed, Marito Mae Furr, Johnny Wagner, Claude Dobbins, and Don Porter.

The members of the Choral Club singing as a choir are: Earl Ray Ellis, Kenneth Fisher, Carl Young, Karl West, Nell Reed, Miriam McQuain, Mary Lila Luzader, Jack Bailey, Anne Withers, Betty Gainer, Eula Marie Beall, Blondena Fitzpatrick, Kathern Wolfe, Carolyn Hull, Mary Ann Ellis, Verna Dean Ellis, Jessabel McQuain, Peggy June Adams, Harry Stewart, Charles Berry, Garlan Brown, Ted Fultineer, and Margy Jack.

Miss Mary Louise Lewis and Miss Pearl Pickens are directing the play.

The play, which was given once in 1939, is being given again this year because of its musical appeal to the students.

HIGH SCHOOL OBSERVES PEARL HARBOR DAY WITH SPECIAL PROGRAM

The first anniversary of Pearl Harbor was observed by the High School the past Monday by a simple, dignified assembly program.

The program opened with a salute to the flag, followed by "The Star Spangled Banner," played by the band. Mr. Boggs discussed the importance of the occasion. "I Die at Dawn" was read by Johnny Wagner and "So Long, Son" by Ted Fultineer. The program closed with the singing of "America."

PRINCIPALS MEET TO STUDY CHANGES IN BUS TRANSPORTATION

Principal Earl R. Boggs attended a meeting of Principals who met with the Superintendents Monday evening. This meeting was called at the request of the Gilmer County Board of Education in connection with the study of the recent Federal Regulations regarding bus transportation. The Board of Education had requested that the Superintendents and Principals study the present transportation system in Gilmer County with a view toward making recommendations for changes to meet the federal regulations. It is necessary that these regulations be met before each bus will be entitled to a Certificate of War

BETTY GAINER RECOVERING

Betty Gainer, feature editor of The Satellite, is convalescing after having undergone an operation for appendicitis, at the Weston City Hospital December 5.

Betty, daughter of Holly Gainer and the late Mrs. Gainer, is a member of the senior class.

ROLAND BUTCHER TO LEAVE FOR ARMY

Four G. H. S. Alumni Among New Recruits of Army and Navy.

Roland Butcher, assistant county superintendent of Gilmer County Schools, has been called into the U. S. Armed Forces, and will report to the Army Induction Center, Clarksburg, on December 18.

Mr. Butcher has been assistant county superintendent for one and one-half years. Before coming to his present position he was principal of Sand Fork High School for six years. He is now also coordinator for Gilmer County's OCD.

Mrs. Butcher, the former Miss Genevieve Manning, who taught commercial work in Sand Fork High School, has been at her home in Lumberport for the past few weeks.

Among the 30 draftees examined in Clarksburg December 12, were: Frank King, '41; Vincent Greenleaf, Ray Baxter Musser, '38; Ray Stalnaker, Charles William Beall, alumni or former students; Paul Woodford, businessman; Paul Kidd, lawyer; and Meredith Sisk, county teacher.

Donald Miles, '40, and Guy Stalnaker, Jr., '40, alumni, have enlisted in the Army and Navy respectively, and will soon report for duty.

HEAR DR. ROHRBOUGH TALK AT THE COLLEGE

"We have been underestimating Japan for a long time," stated Dr. E. G. Rohrbough, president emeritus of the College, in a talk at the Pearl Harbor Day program at the College Dec. 7.

The High School senior class, Principal Boggs and Coach Hall attended the special assembly program which celebrated the anniversary of Pearl Harbor.

STUDENTS SEND CARDS, GIFTS, TO ALL FORMER STUDENTS IN SERVICE

Seniors Sponsor Project, All Classes Cooperate; Journalism Class Sends Satellite.

At least 80 former students and two former teachers of Glenville High School are now in the armed forces and at least seven of these are seeing foreign service at this time.

This information was gathered by the senior class for a project they are undertaking, at the suggestion of Principal Earl R. Boggs. The purpose of the project is to interest the high school students in sending letters and gifts to these former students now in the service.

The project, when presented to the home rooms the past week, met with good cooperation. Most of the rooms were anxious to help; some of them plan to keep in touch with their "boys" throughout the year. Each home room was given the names of 14 boys to whom they are to send gifts or letters at Christmas time and at other times if they wish to do so.

In order to do this, most of the rooms are voluntarily giving up some part of their usual Christmas celebration: some are eliminating gift exchanges; others are not having the usual Christmas parties, etc.

The journalism class, as its part in the project, is sending the school paper to the boys each week.

Ted Fultineer, chairman of the senior committee, read the names and addresses of the boys the class has found so far, and asked that anyone knowing names of others notify some member of the senior class.

100% ENROLLMENT IN SEVEN COUNTY SCHOOLS

Seven Gilmer County schools have reported 100% enrollment in the Junior Red Cross roll call, announces Mary Louise Lewis. They are: Tanner No. 4, Upper Trace, Duck Run, Dry Run, Baldwin, Big Bull Run, and Gilmer.

"For America We Save," a free, three-reel moving picture, will be shown in assembly tomorrow at 4:00 o'clock.

For Entertainment See "Huckleberry Finn" Presented by Jr. Class, Thursday, 8:15 P. M.

By Jack Porter
"Huckleberry Finn," a three-act play adapted from the book by the same name and which will be presented by the Junior Class at the College auditorium December 17, is perhaps the most widely read of all Mark Twain's stories. Many critics consider this the greatest American tale ever penned.

Billy Luzader gives promise of giving a good performance in the role of Huck Finn, while Jack Hardman seems to be an excellent Tom Sawyer. Other students who will appear in the cast are: Betty Fisher as Aunt Polly; Eula Marie Beall as Ruth Watson; Juanita Griffith as Mary Jane; Bob Bennett as Fred Raymond; Marjory Wiant

as Melba White; Jean Nottingham as Clara Woppinger; Pauline Wilson as Amy Woppinger, and Donald Barker as John Finn.

The play contains all the human qualities that have endeared Huck to lovers of real, clean entertainment. Not only is this a play for children, but running through it is a romance which will interest adults, and comedy which will cause everybody to double up with laughter.

The play is under the direction of Miss Helen McGee. The curtain will go up at 8:15 o'clock.

"PEACE ON EARTH, GOOD WILL TO MEN" WILL COME ONLY WHEN HATE IS BANISHED

December, the month of Christmas! In lands where Christ is known and loved, people are always warmed by His spirit at Christmas time.

Yet, it was in this same month of December that tragedy came upon our nation and plunged us into war. These two events stand in bitter contrast: the coming of the Christ Child and the coming of war.

As Christmas again approaches, one hears the same old story, "There was no room for them in the inn." So it is today. In this world, which is so full of hate, there is still no room for Him. Only after peoples of all nations have made room for Him will there really be "peace on earth, good will to men."—Mary Lila Luzader.

12-YEAR-OLD WRITES TO UNCLE SAM

This letter was written by a fifth grade boy in Glenville school.
 "Dear Uncle Sam:

"I am only a little twelve-year-old boy, but I am doing all I can to help win the war. I am carrying groceries for Mother and I walk to town, as we live out of town, so I may help to save rubber and gasoline. I am proud to say that I have helped in every scrap-drive. I raised a Victory Garden this summer.

Yours sincerely,

LOREN ADAMS.

P. S.—I am trying to study hard in school so I may join the Air Corps when I grow up."

WAR SPIRIT OF SCHOOL IS FINE

The spirit of the students and faculty of Glenville High School during the present war has been very commendable.

One has heard very little complaining on the students' part about the changing of schedule, different arrangement of classes, and the extra work to be done in order to qualify for the Victory Corps. They were right behind all the drives given for iron, steel, rubber, etc. When cooperation between them and the Civilian Defense unit was asked, they were all there ready to do their share.

The teachers in the school have been very considerate of the students who have had OCD work to do. Some of them have given many extra hours of work to the forwarding of the Victory Corps, and certainly a lot of this credit goes to our principal, Mr. Boggs.

If all of the schools of the nation have entertained a spirit such as this one has, one can see that we are not losing the war on the home front, and just how much good a true spirit such as this really does towards our war effort.—Karl West.

LETTERS BOOST THE MORALE OF THE SOLDIERS—SO WHY NOT WRITE MORE?

An important new program is under way in Glenville High School. Its purpose is to boost the morale of the former G. H. S. students who are now in the armed forces, by sending them gifts and letters.

The home rooms are to be commended for their interest in the project and for their good cooperation. The willingness of the students to sacrifice just a little in order to bring happiness to those who have sacrificed a great deal is also commendable.

These letters and remembrances will mean "a lot to a lot of people," so let's help the "man behind the gun" by letting him know we remember him and appreciate what he is doing for us. This is just a little thing for us to do, but let us not let it be "too late."—Nell Reed.

Our Readers Speak

Dear Editors:

We are two of the many girls who are interested in becoming members of a Girl Reserve organization in Glenville High School. We have heard of its wonderful work and of the pleasure the girls get from the club activities. Perhaps the Satellite might help get such an organization started here?

Sincerely yours,

TWO G. H. S. GIRLS.

Buy Defense Bonds and Stamps.

What You Buy With WAR STAMPS

American Sailors and Coast Guardsmen must face any kind of weather without flinching. In the heaviest of storms and the wildest of gales they must carry on with their appointed tasks. They've got to be tough and able to take it but their job is made easier for them by the sturdy Navy raincoats they wear. Only \$5.00 in War Savings Stamps will equip a man of the sea with a raincoat to help him weather any storm.

With the Alumni

Jack Luzader, '41, returned from Washington recently where he passed his examinations and was sworn into the Navy as an aviation cadet.

While in high school, Jack was active in athletics. He was president of his class in his senior year. He is now a sophomore in G. S. T. C.

He is a brother of Mary Lila Luzader, senior.

Pvt. Beecher Reed, '41, stationed at Camp Davis, North Carolina, spent a seven day furlough here with his mother recently.

Considerable improvement is seen in the condition of Glenn Bennett, Alumnus, who was injured recently while on defense work at South Charleston. Bennett received a broken pelvic bone, broken vertebrae, broken wrist, and a foot injury.

TO HOLD FACULTY DINNER

Following some of the old traditional customs, the Glenville High School faculty plan to have their annual dinner December 22. Instead of the usual turkey feast they plan to have a simple chicken dinner. The teachers are not going to exchange gifts this year, but they will follow the old plan of playing games—with no prizes awarded.

**HOME IS THE HUNTER,
HOME FROM THE HILLS,
—WITHOUT ANY DEER**

Several Glenville citizens braved tire rationing, and other obstacles to wartime travel recently, to go deer hunting, but most of them came back with—you guessed it—no deer. Among those in Glenville and vicinity who went included Rupert Woodyard, "Tate" Hyre, Dr. Guy Stalnakar and son Junior, County Superintendent Marvin Cooper, Arthur Britton and son Willard, Ison Coberly, C. W. Marsh, Ruddell Reed, Lewis Harper and son John, a junior in Glenville High School, Earle Beall, Hugh Osborne, Jack Bailey, J. J. Massey, and Leland Conrad.

Several of these men went in groups, so as to save gas and rubber.

**JOHN "BROOMS" ABRAMOVIC
IS COURT ACE AT SALEM**

"Brooms" Abramovic is carving a name for himself at Salem College. Ever since he broke in as a freshman three years ago, he has been the most talked-about player since Kenny Griffith of Alderson-Broadus, and farther back, Jack Jack Gocke of West Virginia University.

"Brooms" is the answer to a coach's prayer. Tall, lanky, six footer, he is dynamic not only under the basket but everywhere else on the floor as well with his left-handed shots. He is also a good floor man. Last year he was one of the leading scores in the country in inter-collegiate competition.

**SNOWFALL CALLS FOR
BOOTS**

By Margy Jack

"Hey Mom. Where's my boots? It's snowing harder every minute."

"Child, I don't know where your boots are. I haven't seen them since the last hard rain. I never saw anyone like you; you lose everything you get your hands on. And if you haven't lost them you've left them some place. I don't see why you don't take care of anything. Don't you know after those rubber boots are gone you won't be able to get any more?"—and so on. Just one little question is an excuse for a lecture.

This may have been a scene enacted in many homes last week. Almost before you knew it, the snow had covered the ground. Everybody ran to get his boots, snow pants, scarfs and everything else wearable. But most of the people, for a little while at least, don't mind

**SPORTS NEWS
AND VIEWS**

By JACK RADER

Weirton High has officially been declared the state football champions of 1942. This means that all that noise we have been hearing out Clarksburg way from W. I. and Roosevelt-Wilson will now slowly but surely subside. Not that either of these teams didn't deserve to yelp when they were not chosen, but after all, Weirton did lick Parkersburg and W. I. didn't, so that makes the Steel City boys look pretty good. True, Weirton lost three games and W. I. and R. W. only one each, but the former was undefeated within the state while losing out of West Virginia to Massilon, O., 26-6; Youngstown, 13-0; and Erie (Pa.), 13-7. Parkersburg would have been given title consideration except for the fact that they dropped two in a row (with Fred Early injured) to Wheeling and Weirton.

Meanwhile, basketball practice has started at most of the high schools in this section of West Virginia. Coach Hall has been working the Red Terrors hard each session thus far. It appears that Gainer, Fultineer, Yeager, Whiting, and George will comprise the starting five, at least for the time being, although more may be told when Junior Wolfe, who has been ill, comes out for practice.

At several schools a record number of candidates have reported, and the usually pessimistic coaches, who, because of the war, have double reason to be gloomy over prospects this year, are nevertheless gleeful.

**OLD MAN WINTER HELPS
MOTORISTS CONSERVE GAS**

Old Man Winter is keeping the motorists from running low on their gasoline and from wearing out their tires. Most persons do not like to ride or drive on slick roads such as Gilmer County has had twice this year already.

Judging from the weather up to now, a long, hard winter is ahead of us. People are getting ready to wade deep snows before the winter is over.

But the people of the United States will not complain, because no matter how low the thermometer falls, it will probably still be warmer here than it will be in Russia.

the cold as they see the snow falling. The snow in its soft gentle way seems to make everything clean and pure as it falls.

**GLENVILLE PIONEERS
OPEN SEASON DEC. 18**

Glenville's Pioneers will open their basketball schedule Friday, December 18, when they meet the West Liberty Hilltoppers in the local gym. The Panhandle team, coached by Joe Bartell, are always one of the leading teams in the West Virginia Conference and boast a veteran team this year, headed by Leo Zilla (Pioneers can tell you he also plays football).

Earle Spencer, Sol Levin, Jesse Lilly, Bill Whetsell, and Joe Rodriguez, will probably start the game for the White Wave, and Steryl Brown, senior forward, has been pressing the regulars hard for a starting bid, and will doubtless see considerable action against the Hilltoppers.

**WHEN THEY MEET IT
MAY BE LIKE THIS**

1. Glenville-West Liberty—The Hilltoppers come to town with a veteran outfit, headed by Leo Zilla, but the ever-powerful Pioneers seem to have their usual fine team this year, so Glenville, but it may be close.

2. West Virginia Wesleyan-Fairmont—No doubt that Hank Ellis and Bob Pence will stage a scoring duel here. Otherwise it would probably be a dull affair. Because they are playing at home, Wesleyan.

3. Salem-Duquesne University—If the Pennsylvanians have their usual good team, Salem will be in for a busy night. However, the Tigers should keep rolling along, just as long as Abramovic continues to set the pace.

4. Concord-Emory and Henry—The Athens Collegians lost the McNeish brothers, Adamos, and Pendleton from last year's team, but with two regulars back and a host of freshmen, including some from last year's State High School B Champion, Marsh Fork, should be enough to beat the Virginians, although a good game is in prospect.

CHRISTMAS MUSIC TO BE FEATURED HERE DURING NEXT WEEK

Christmas Holidays to Begin Thursday, December 24 and End Monday, January 4; Classes to Have Parties Thursday Evening.

Plans are being made for the Christmas holidays which will last from December 24 at 5 o'clock to January 4 at 10. Before students leave school for their vacation, it has always been a custom to celebrate the season at school with music during the week. These plans will be carried out again this year.

Each day during the noon hour of next week there will be Christmas music. Monday the Elementary Glee Club, under the direction of Miss Mary Young, will sing; Tuesday, the High School Choral Club, directed by Miss Mary Louise Lewis, will sing; Wednesday, the band, under Mrs. Phyllis Rohrbough, will play; Thursday, Christmas records will be played, using the amplifier.

Already the various home rooms have begun their celebrations. Some have already sent gifts and cards to former students who are now in the armed services. Those rooms which will have trees will put them up and trim them on Wednesday before vacation begins.

Although some of the home rooms are foregoing gift exchanges and Christmas parties, it would seem that the season will be none the less merry this year.

PLAY REVUE, MOVIE, IN ASSEMBLY THURSDAY

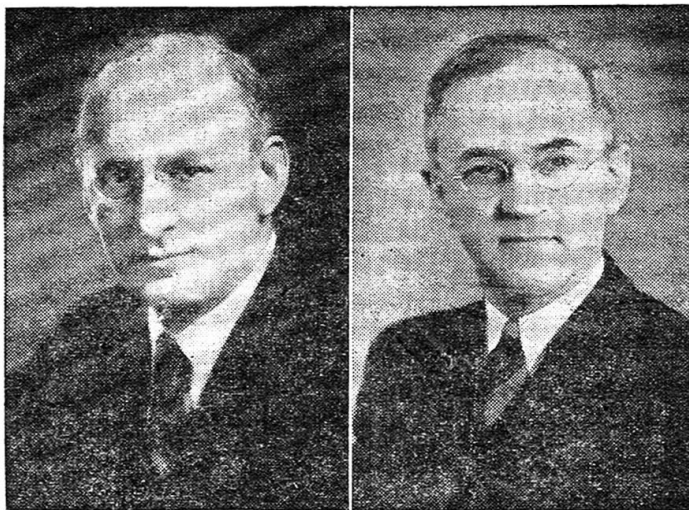

Thursday, in assembly, some members of the College Ohnimgohow Players cast gave a few brief skits from "Letters to Lucerne" which they presented Friday night. Following this was a film sponsored by the C. and P. Telephone Company.

A short home-room period was held after the assembly.

Dear Students,
Don't let your soldiers' letters be "too few and too late."

Secretary of the Treasury Henry Morgenthau, Jr. (left) and U. S. Commissioner of Education John W. WHEN'S YOUR BIRTHDAY?

High School students here seemed to have preferred May as a birth month, according to a recent survey of birthdays.

Twenty-one students were born during this month. June was next most popular with 19 claiming that month as their own, while March, July and November each has 17.

In January 16 G. H. S. students were born, while 15 entered the world in October and 15 in December. February gave us 14; September only 11.

The months containing fewest birthdays are August and April, with eight and seven, respectively.

BAPTISTS TO PRESENT CHRISTMAS PLAY SUNDAY

The Baptist Church has started practice on their Christmas play, "The Lost Star," a one-act play with three scenes. The cast is composed of students from the High School and Grade School.

The play is a modern one and vividly portrays the attitudes of an American family at this Christmas season. The second scene takes place in an inn at Bethlehem.

Mrs. Gilbert B. Moore is directing the play, which will be given December 20 at 8 P. M.

The time has come once again to start buying Christmas presents. This year as we buy, let's remember there is a war going on and buy practical gifts. There'll come a time later for frivolous things.

The only adjustments suggested to the present transportation system are that buses, where practical, be stored at the end of the routes—thus eliminating running empty and eliminating running empty—and the elimination of bus stops where they are placed closer than one-fourth mile apart.

Regulation number four which has to do with breaking down present boundary lines and transporting pupils to the nearest school was discussed at length but nothing was done in regard to the regulation because some of the principals objected to any change in the bus schedules and routes that would necessitate a loss of students who would be transferred to nearest schools.

You'll enjoy "Huckleberry Finn" as presented by the Juniors Thursday night.

METHODIST CHURCH HAS WEEK-END INSTITUTE

The Week-end Institute was held at the Trinity Methodist Church on December 4-5 with Miss Frances Myers, dean of the school, and the Rev. Grover Johnson as leaders.

The Institute opened with an organizational meeting Friday evening. Three periods of "Looking Toward Marriage" and two sessions of Biblical history were held during Saturday. The highlight of the program was the banquet and the address by Dr. Coleman Brown, district superintendent, Saturday evening.

FILMS SHOWN FRIDAY

Four short movies were shown Friday afternoon at 4 o'clock. "British Commandos," "Split-Second Sports," "Grand Opera Show," and "Mickey's Touch-down" were the subjects of the films.
