'And the Band Played On' Since Its Organization In 1935 Under Mr. Beall

By Ted Fultineer

The Glenville Band had its beginning a great many years ago when Dick Beall and Will Kee had two separate bands here made up of small boys who were interested in playing musical instruments.

When Mr. Boggs came here in 1933, there was no band. In 1935, however, the Gilmer County Board of Education hired Frank Beall as a county band instructor. Mr. Beall served from 1935 to 1941.

WE HONOR HIM TODAY

Today we pause to honor the 211th birthday of "The Father of Our Country." Not only was he our first president and leader of the army which won for us our independence, but he was a great man in the true sense of the word. Nothing to be America's again at war, we remember that if it had not been for his good leadership and foresight, we might not be a great nation today—a freedom-loving nation. The same ideals which inspired him and his men at Valley Forge are being upheld today by our men in uniform. We honor George Washington for having helped to give us a country with ideals worth fighting for.

Besides just winning this war, the Allies are fighting for a permanent peace after the war. We want to win in such a way that none of the Axis countries will be able to start another war. We are upholding the ideals of two great Americans, Washington and Lincoln, and by doing this we hope to have peace, and "Liberty and Justice for all."

GLENVILLE MAY BE JUSTLY PROUD OF THE SCHOOL BAND

Glenville High School is fortunate to have a Band of which it may justly be proud. Many of the students receive pleasure from these musicians but never stop to think of how the music was made possible—through long hours of practice. Mrs. Rohrbough and the band students spend much time in preparing for their public appearances.

Our Band, so far, has played at two P. T. A. meetings, the O. C. D. graduation exercise, and several ball games. Each time, one could hear various comments on how well the band plays. And at a ball game, nothing can raise spirits higher than the inspiring marches of a band. At the half or quarters, if there should happen to be a lull in the yelling, the band steps in with the school song or some other appropriate music.

Yes! We should give compliments to the High School Band, freely. Since we are the ones who really receive the enjoyment of the band, we should show our appreciation. Naturally, the band students are not playing for their own benefit.

A little bit of praise never hurt anyone—especially where the praise is richly deserved.—Margy Jack.

FILL THEM UP AND KEEP OUR SOLDIERS FIGHTING

War Savings Stamp books should be filled completely. If you have started to fill a stamp book don't stop, fill it! The purpose of these books and stamps is to help win the war. Unfilled books do not do anyone any good. So fill them out as quickly as you can. Uncle Sam needs every penny you can spare and more too. Don't fall behind, keep up with your habitual buying of stamps. One stamp may save a soldier's life or bring us closer to victory.—Ted Futlineer.

THRICE TOLD TALES

Well, here we are again at last
But this column's sinking fast.

Don Shreve seems satisfied since a certain little Miss Smith came back to Glenville to school . . . Lucy Alice D. and Walter Roe seem well acquainted . . . Betty Rose M. travels to Weston to see "Bill" . . . Freddie G. enjoys the ball game with Isabelle S.

Elsie Burke and Wilbur Yeager attend the show . . . What's this we hear about John Harper and Margaret Hawkins???

Joan Barrett enjoys the show
With a boy whom most of us know.

He goes by the name of "Pete" Brown
And attends school at Norman-town.

Lowell sees that Ruth gets home safely after she finishes work . . . Peggy June is now frequently seen with "Deacon" Whiting . . . Rondall G. still journeys on the hill to see Margy . . . Bob W. spends the weekend at Weston and he didn't spend all of his time with his aunt either . . . George S. likes to entertain the girls.

A little girl was reading her composition at a patriotic meeting. Her subject was "Grant's Work in the Civil War." She was getting along well until she started to give the description of Lee's surrender.

"Lee," she read, "was handsomely attired in full uniform, while Grant wore nothing but a ragged old Union suit."

Margy, the gum chewing girl,
And the cud chewing cow
Are something alike
Yet different somehow.
What is the difference?
Oh, I see it now,
It's the thoughtful look
On the face of the cow.

The new girl in the senior English class seems interested in Junior Simmons . . . Gene Davis and Lorena Rhoades attract many boys' attention . . . Marjorie Wiant and Paul Siegrist had a friendly conversation after the Weston game.

Man (calling on telephone)—
Yes, darling, dearest, sweetheart. Yes, honey, I'll do that. Certainly, dear. Goodbye.

Friend—Who was that, your girl friend?

Man—No, it was my butcher.

"LIFE OF LOU GEHRIG" IS POPULAR NEW BOOK

One of the most popular of the newer books, "The Life of Lou Gehrig," is now available in the library. Written by Richard G. Hubler, this book portrays the life of the idol of thousands of baseball fans who loved and admired the great man who was the Iron Horse of baseball.

How a poor German boy rose from nothing to be America's most popular diamond player and to be recognized by many as the greatest first baseman of all time, is expertly portrayed in this book. How he smashed record after record, played in over 2,000 consecutive games, and broke all home run records, is told also. And when a dreaded illness fastened its grip upon him, his courage was remarkable. Gehrig is not portrayed as a superman, but merely as a poor boy who overcame his difficulties and made good.

With the Alumni

WESTON MINUTEMEN FALL TO RED TERRORS 51-31 AS BOB WHITING SCORES 19 POINTS

Large Crowd Sees Terrors Win Second Game From Team of Former Coach; Terrors Hit Stride in Third Quarter.

The Glenville Red Terrors, after leading 25-13 at the half, pulled away in the third quarter and went on to defeat Weston High here the past Tuesday 51-31. The game, which was played before a packed house was hard-fought on both sides. It was the 14th straight win for the Terrors.

Both teams started off slow as far as scoring was concerned and by the end of the first quarter the Terrors were leading by four points, 11-7. In the second quarter Whiting scored frequently for the Terrors and at halftime they were ahead 25-13. The Red Terrors, picking up speed in the third quarter against a reckless Minutemen team, outscored their opponents 17-10, and, with substitutes playing the final quarter, held Weston at bay and won by a decisive 51-31 margin.

This game was the highlight of the Terrors' home season. A large cheering section supported the Terrors and a delegation of rooters from Weston accompanied their team to Glenville. This was the second time this year the locals had beaten their former coach, C. D. "Red" Wilfong, having defeated Weston on Jan. 5 at Weston by 47-40.

As usual it was the ever-reliable Bob Whiting who led the scoring, tallying 19 points and playing his usual fine floor game. He was followed in the scoring by Terror forward Ronnie Gainer and Watson, center of Weston, with 11 each. Ted Fultineer scored 9 points.

G. H. S. TO PLAY SPENCER, GASSAWAY, THIS WEEK

The Red Terror five will meet two foes this week. On Wednesday they will meet Spencer at Spencer and Friday they play Gassaway at Gassaway. The Terrors will be favorites in both these games, having won over both teams once this year, Spencer by 50-28 and Gassaway 56-35. However, both Spencer and Gassaway are always tough on their home floor and the Terrors may be in for a surprise.

GLENVILLE JUNIORS DEFEAT TROY, 31-10

The Glenville Junior High basketball team won its second start of the season on Thursday, Feb. 11, at Troy by a score of 31-10. Glenville led at the half by a 20-7 score.

Shreve led all scorers with 10 points for the Glenville team. He was closely followed by his team mate, Hardman, who scored 9 points. Somerville led Troy with 6 points.

The game was marked by the absence of fouling, Glenville fouling three times and Troy five.

GASSAWAY, TANNER, AND TROY BOW TO TERRORS, WHO KEEP ON WINNING

Glenville High added three more victories, No. 11, 12 and 13, to their list of consecutive wins by defeating Gassaway 56-35; Tanner 55-22; and Troy 67-24, the first two at home and the latter away.

In the Gassaway contest the Terrors got off to an early lead and had a comfortable 37-13 lead at halftime. As usual, the Red Terrors' star forward, Bob Whiting, was "on the beam" and led the scoring with 19 points, followed by Ted Fultineer of the Terrors and Carte of Gassaway with 17 each.

In defeating Tanner 55-12, the Terrors' first team played
