**Class Is Canvassing Town For Subscriptions; Money Will Be Used For School Paper.**

The journalism class is in the midst of a campaign for raising money with which to finance the school paper this semester. Since the past Thursday, the twelve students have been canvassing the town for subscriptions to magazines. The campaign will continue until January 25.

The class was divided into teams by Frank Hawker, representative of the Curtis Publishing Company, when he helped organize the drive Wednesday. The girls' team is being led by Margy Jack and the boys' by Earl Ray Ellis. The team which gets the largest number of subscriptions will be given a party by the other team.

Persons wanting to subscribe for, or renew subscriptions to magazines, may do so just as cheaply through these students as in any other way. Since the class is working as a group they will get a commission on all money collected. This money will be used to help pay for printing the Satellite.

Among the many publications on the list are: Saturday Evening Post, Ladies Home Journal, Country Gentleman, Jack and Jill, American Girl, Boy's Life, Better Homes and Gardens, Popular Mechanics, Vogue, Christian Herald, Harpers Magazine, Screen Guide and Look.

## FARMERS ARE ASKED TO INCREASE DAIRY, POULTRY PRODUCTS

County farmers have been asked by Secretary of Agriculture Claude Wickard to produce more food in the coming year. The foods especially stressed for West Virginia farmers to increase are eggs, poultry, milk, pork, and beef.

On January 12, Farm Mobilization Day, farmers met with representatives of the U. S. Department of Agriculture to discuss the possible ways to produce the needed food for winning the war.

## YEARBOOK DEPARTMENTS ARE OPEN FOR BUSINESS

Work on the yearbook got underway the past week as all departments opened officially for business.

Anne Withers, literary editor, has made assignments to various teachers and students for write-ups which are due in a week.

Both subscription and advertising campaigns have been started, the results of which are not public at this time.

Snapshots are needed by the photography department. Those persons having one or more may give them to Karl West, editor of this department.

## NEW SEMESTER STARTS; GRADE CARDS OUT THURS.

Results of the semester examinations, held the past Thursday and Friday, will not be known by the students until they receive their report cards Thursday.

The new semester, starting today, will bring only a few changes in the class schedules, announces Principal Earl R. Boggs.

## BAND TO PLAY FOR 3 MORE GAMES, PTA MEET

Mrs. Phyllis Rohrbough, band director, announces that the band will play for three more games this season. They will be the Spencer game on Jan. 28, Gassaway Feb. 5 and Weston Feb. 16. Also it will play at P. T. A. on Feb. 4.

Already the band has played for the Sand Fork game and for the OCD graduation.

The average weight of men's brains has been estimated to be 48 to 50 ounces, compared with 43 to 45 ounces for women.

## 'THREE TO GET READY' AND 'THE LITTLE PATRIOT' TO BE PRESENTED THURSDAY

Two plays, "Three to Get Ready" and "The Little Patriot" will be given in assembly Thursday by the Dramatics Classes, under the direction of Mrs. Davies.

"Three to Get Ready," a one-act comedy, will be given by Jessabel McQuain as Margaret Spencer, Betty Rose Hardman as Kate Hathaway, Betty Rose Moss as Sue Spencer, Marilyn Cain as Jerry Spencer, and Ola Satterfield as Pam Spencer.

In "The Little Patriot," a patriotic play, are Anne Browning, Marito Mae Furr; Richard Browning, Charles Furr; Mrs. Browning, Verona Lee Hess; Mr. Browning, James Harper; Miss Crandall, Marjorie Davies; and the butler, Oren Heckert.

## TEACHERS ENROLLED AS V. C. CHAIRMEN

**Eligible Students to Wear Overseas Caps, Identification Pins, Which Will Be on Sale Soon.**

The Victory Corps, which has been established in Glenville High School, enrolls the following teachers as chairmen of the various programs:

Victory Corps director, Earl R. Boggs; Physical Fitness (boys), Stanley Hall; Physical Fitness (girls), Lestelle Murphy; Guidance, Stanley Hall; Publicity, Pearl Pickens; Library Service, Helen McGee; Land Service Division, W. E. Hull.

Several students will be eligible for the Corps by the end of this semester. The manual training boys are the only ones credited for the Land Service Division, although no school will be recognized as a Victory Corps School until it has met standards that satisfy the State Department of Education.

As soon as a student is passed in the corps he will be eligible to wear an overseas hat personalized with his own insignia and an identification pin, which will be on sale as soon as possible.

## REPORT 100% ENROLLMENT

Glenville schools have enrolled 100% in Junior Red Cross, according to Miss Mary Louise Lewis, chairman. The grade school joined by grades and the high school by home rooms.

## STUDENTS TO HELP WOUNDED SOLDIERS

**Gilmer County Red Cross Will Equip a Hospital With Games, Books, Puzzles, Etc.**

Each student in school in the County will be asked to contribute one cent each week toward helping care for wounded soldiers, sailors and marines in some hospital, announced Miss Mary Louise Lewis, county Red Cross chairman.

Miss Lewis said that Gilmer County Junior Red Cross would be asked to be responsible for equipping a certain hospital with such things as games, books, puzzles, unbreakable ash trays, canes, etc., which will be useful and entertaining for the persons in the hospital. She asked that each home room teacher place on her desk a glass bank in which the students may place their pennies.

The money and articles collected by the students will be turned in to Mrs. Marjorie Davies who will send them to Arlan Berry who will in turn forward them to the hospital.

Such articles as checkers, Chinese checkers, cross word puzzles and their solutions, and jigsaw puzzles are requested. Other games will also be welcomed. These should be brought in at once.

## CLASSES PARTICIPATE IN PATRIOTIC PROGRAM

The music classes of Glenville High School are participating in the government program of Schools-at-War. The recommendations of the United States Department of Education are being followed in the music being taught. Special patriotic programs requested by this department will be presented in the near future.

The G. H. S. Choral Club will present at the Parent-Teachers meeting in April a program consisting of Service Songs of our Armed Forces.

A patriotic cantata will be given this year instead of the conventional graduation music.

The Choral Club members have bought music books. The patriotic songs are to be used the second semester.

### WE CAN MAKE TOMORROW BETTER THAN TODAY BY PREPARING FOR IT

When we as students or as teachers, become disheartened with the lessons we are given or when the war news becomes worse than usual, we should remember that there is always hope for tomorrow, that perhaps then conditions will be better.

We make tomorrow what it is to be. If we expect it to be better than today we must prepare for it. We must get our lessons better if that is what is required.

Now we have more than a tomorrow to look to. We have also a new semester and a new year that isn't very old in which we can start our school work again. Because with a new semester comes new opportunities for improvement.

If today or last semester has been a failure; if things have gone wrong, there's always another chance, another tomorrow in which we can improve or undo the actions of today.

—Miriam McQuain.

### WE CAN'T DRIVE FOR FUN BUT WE CAN STILL HAVE FUN AT HOME

Pleasure driving is out now, but is all the fun gone with it? Now let me see. I can't go to Weston to see my girl. I can't go to Troy to see that game. I can't just drive now "to show off."

What can I do? Well, I can go to the show about as often as I please. Then whenever a home game comes around I can go. But there is also some pleasure that's free. Why not stay home and pop corn, make milk shakes, play games? Maybe I could get to know what Dad or Mom or Sis is really like. Sound tame? But I am still having fun! Maybe it's better to save my money anyway. Well, then I COULD go to church once in a while. It can't hurt me any.

Say, maybe this isn't so bad. The old town seems more lively now, and then I'm having a good time. Uh, just about as good as before! My, I'm even feeling better. I guess I'm kinda glad this did happen—for me, anyway.

—Johnny Wagner.

### PHYSICAL FITNESS IS EMPHASIZED

We are very fortunate that we are able to continue our athletic program. For a while it seemed that the higher officials did not fully realize the great importance of it.

Very few people, other than coaches, athletes, and former athletes realize the necessary training offered by our athletic programs. It is one of the essentials of war time, which was finally decided upon. We can not do without it in any way. If it were abandoned we would have a group of weaklings in our country.

In addition to physical fitness it is a mind builder. It teaches competition; not a competition of blood and war, but a good clean program in which boys and men can participate without blood and thunder. This is one of the biggest reasons why we are not an aggressive country. Our men are kept in check while young and in the fighting stage. It is taken out on the football field, etc.

We have been given permission to continue our basketball schedule. We are thankful, coaches and boys most of all. We know what it means, the training it offers in mind as well as body. We learn how to play fair and be fair and honest in all that we do. We meet obstacles that seem hopeless to move, but we are taught how to do so by special training.

—Ted Fultineer.

### MUSICAL NOTES

Blond, six footer Vaughn Monroe has shot up to nationwide prominence since he left Jack Marshland's band in 1940. His Bluebird Records and his CBS sustaining wire established him as the new idol of the dance fans. His subbing on a Camel Summer Show clinched the honors he had already won.

Born in Akron, Ohio, Vaughn was playing a trumpet in the school band at the age of eleven. When the Monroe family moved to Pennsylvania Vaughn became an all-round athlete, played trumpet and sang with the school band on the side.

He studied to be an engineer at Carnegie Tech, but on grad-

## GLENVILLE TROUNCES SAND FORK LIONS

Fultineer of G. H. S. and Elliot Of S.-F. Lead Scoring With 13 Points Each.

The Glenville Red Terrors opened their home basketball season here on January 8 by trouncing the scrappy Sand Fork Lions, 42-30. After a slow first quarter in which the score was tied at 5-5, the Terrors went to work and by halftime held a 21-8 lead. In the third quarter the Terrors outscored the Lions 18-13 to post a 39-21 advantage at the end of that period. With their substitutes playing most of the final quarter, the Terrors protected their lead against a last-minute Sand Fork rally which brought the score up to 42-30.

Ted Fultineer, Glenville center, and John Elliot, Sand Fork forward, tied for high-scoring honors with 13 points each, closely followed by Yeager, Red Terror guard, who scored 11. Garrett, diminutive Lion forward, dropped in 5 baskets, 3 of which came on set shots from well out on the floor.

A large crowd attended the game, which is always a feature of the Red Terrors' home schedule. Because of the ban on pleasure driving, the Sand Fork team had to come by bus instead of car. In fact, only one car was parked in front of the gym.

In the preliminary game, the Glenville High sophomores defeated Glenville Junior High 36-25.

### STUDENTS EXAMINED

The county health nurse, Miss Margaret Prunty, examined the students in grades 1, 3, 5, 7, 9 and 10 the past Monday and Tuesday. Miss Prunty checked eyes, teeth, throat, height, weight and hearing. It is hoped that students will be able to remedy any defects which were found to exist.

## TERRORS WILL MEET VIKINGS HERE FRIDAY

The Glenville Red Terrors will play their third home game of the regular season Friday, when they meet the Normantown Vikings. It will be the second meeting between the two teams this season, the Red Terrors having defeated the Vikings 47-32 on January 9 at Normantown. However, Red Terror Coach Stanley Hall stated recently that Normantown was potentially the best team in this section and so the game should be an exciting one, as are all Glenville-Normantown contests.

The Vikings have a tall, rangy team with four regulars back from last year: Nicholson, Duskey, Vannoy, and Brown. The only regular not back is Marks.

## SPORTS NEWS AND VIEWS

By JACK RADER

The fate of basketball in West Virginia and 16 other eastern states hung in the balance for a while when, on January 7, the government put a ban on pleasure driving. At that time, however, the ruling contained no definite answer to the question as to whether the transportation of athletic teams was pleasure driving, but the coaches, not taking any chances, prepared for the worst. However, on Sunday, Jan. 10, the situation was relieved to a great extent when the OPA stated that although passenger cars of fans could not be used to transport basketball teams, coaches and officials could use their cars to do so, since they had been allotted gasoline for their occupational needs and there was nothing to prevent them from taking their teams to games.

The Red Terrors, coming back after a defeat by the Alumni, have now won three straight games. On January 5, they accomplished what no other Glenville basketball team had been able to do, defeat Weston on its own floor. This victory was also a sweet one for the Terrors because, besides avenging the defeat handed to them by the Minutemen in football, it gave them a win over the team coached by their former mentor, C. D. "Red" Wilfong.

On January 8 they handed a scrappy Sand Fork team a 42-30 setback on the Glenville floor. The next night, Jan. 9, the Red Terrors traveled to Normantown and soundly trounced their county rivals, 47-32. It was a good week's work, but the team and fans should not get

## GLENVILLE-TANNER GAMES CANCELLED

The Glenville-Tanner basketball games, one of which was to have been played at Tanner January 12, were cancelled. Tanner has cancelled their complete schedule because of the fact that small crowds would attend the games and the team might not make enough money to pay their expenses. The small crowds were accounted for because of the gasoline rationing and the ban on pleasure driving.

## G. S. T. C. PIONEERS SWAMP SALEM 82-55

The Glenville Pioneers went on a rampage the past Tuesday against Salem, swamping the Tigers 82-55 at Carmichael Auditorium, Clarksburg. Firing in baskets from all over the floor, the Pioneers piled up a 21-5 lead at the first quarter and kept pouring it on the Tigers throughout the remainder of the game. Earle Spencer led the Pioneer scoring with 10 field goals and 11 fouls for 31 points, while Salem's famous John "Brooms" Abramovic, although himself getting 27 points, found himself behind the Pioneer ace in scoring.

Sol Levin, Glenville starting forward, and substitute Steryl Brown each scored 13 points, while Christie, Tiger forward, and Rodriguez, Pioneer guard, got 11 each. The game was rough, the Pioneers dropping in 20 fouls and the Tigers 5. Four Glenville regulars, Levin, Lilly, Rodriguez and Whetsell, left the game on personals as did five Tigers, Abramovic, Thompson, Brissey, Christie, and Swiger.

## GLENVILLE TERRORS TRIM RIVALS 47-32

Yeager Drops In 18 Points to Help Team Win From Normantown High.

The Glenville Red Terrors won their third straight game on January 9 by defeating their old rivals, Normantown High, on the Normantown floor, 47-32.

The Vikings got off to an early lead at the first quarter, 12-10, but the Terrors swept into the front in the second period and held a 27-20 advantage at intermission. Each team scored 8 points in the third quarter, bringing the score up to 35-28. The Terrors increased their lead further in the final quarter by outscoring the Vikings 12-4 and won going away.

Yeager, Red Terror guard, led the scoring with 18 points, closely followed by Bob Whiting with 16. The usually high scoring Ted Fultineer got only 6 points. Duskey led the scoring for Normantown with 14 points.

The Vikings are a tall, rangy outfit but since it was their first game they were off stride. Red Terror Coach Stanley Hall stated, however, that Normantown is potentially the best team in this section and when they hit their stride they will be tough to beat.

## Arm Bands, Merit Certificates Are Presented to 200 O. C. D. Graduates

**Major Easley, John T. Flynn and Principal Earl R. Boggs Are Speakers of the Evening As Gilmer County Holds Its First Civilian Defense Graduation.**

Almost 200 citizens of Gilmer County received certificates of merit and arm bands at the Civilian Defense graduation exercises held the past Monday at the Court House.

"When the going goes good for us, that's just the time to be on guard," stated Major James P. Easley, A. G. D.-U. S. A., state liaison officer who presented diplomas to the graduating class.

Supervisor of Training H. Y. Clark, chairman of the exercises, introduced the guests and "the most important man" in Gilmer County's O. C. D. work, Earl R. Boggs, county chairman, who talked briefly on "Gilmer County Organization." He explained that the work had been done "through the cooperative spirit and unusual good will of the county." His brief review of the growth of C. D. organization in Gilmer County mentioned those persons who have done outstanding work, including Communications Officer and Coordinator Roland Butcher, the instructors, group chairmen, telephone operators, and sector wardens.

"Of all blackouts we have had in the Third District, none have been better than those held in Gilmer County," declared District Supervisor John T. Flynn.

Flynn commended the work of CD in the recent Ohio Valley flood. He finished by singing a song written by L. L. Richards, guest at the meeting, called "For I'm An Air Raid Warden."

### Four 100% Families

Four Glenville families were represented en masse at the exercises Monday, each member of the family receiving a certificate. Six members of Dr. W. T. Smith's family, five of Dr. H. F. Withers', four of Mrs. Ina Hupp's, and three of Charles E. Porter's were among those in the class.

Ted Fultineer led the group in the flag salute following the advance of the colors.

Easley commented that Glenville had the distinction of having had a "total blackout on the first signal," the first time this has happened in the state.

### Commend Telephone Operators

The telephone operators here are all able to take messages in shorthand and to translate those messages. In no other set-up in the state is there such a staff of telephonists.

## MESSENGERS

A reliable and efficient messenger group is vital to organization for civilian defense. Messengers are assigned to Air Warden posts, to control and message centers, to hospitals and first aid posts, to fire stations, and police precincts. Under a rain of bombs, other communications may break down, and during times when telephones are blocked the messenger has to carry the message through. Practice in recording, carrying, repeating of messages are the main helps to a messenger.

Most of Glenville's messengers are G. H. S. students; 33 students having graduated, under the direction of Mr. Stanley Hall.

## ☆ BUY WAR BONDS, STAMPS.

Easley's statement that "We're looking toward youth to make this world safe," was emphasized further since Karl West, commander of the control center, and Johnny Wagner, controller, are two of the youngest persons in West Virginia having such responsible positions in Civilian Defense work. Both are seniors here.

The high school band played several numbers before the exercises opened and the "Star Spangled Banner" later. A college sextette sang three selections.

Following the program the film, "Ready on the Home Front," was shown.

## JOHNNY WAGNER AWARDED MEDALS IN 4-H CONTEST

Two gold medals, national 4-H awards, were presented to Johnny Wagner, senior, by Adele Walsh, County 4-H Agent, at the high school 4-H meeting the past Tuesday night at the home of Mrs. Janet Fisher, club leader.

The medals were in recognition of his work on rural electrification and home beautification projects. Johnny was county winner in the national 4-H contest in both projects.

Featured on the program was a talk by Mrs. Walsh, in which she stressed the need for more food to be produced in the county in 1943.

Betty Fisher was program chairman, her theme, health. Those present were Eula Marie Beall, Jessabel McQuain, Mary Lila Luzader, Betty Fisher, Hilaria Kight, Joan Barrett, Johnny Wagner, Karl West, Mary Alice Wagner, Tony George, Miriam McQuain, Mrs. Walsh and Mrs. Fisher.

## "MY OPERATION" COMMON SUBJECT AMONG SENIORS

Our feature editor, Betty Gainer, will now be able to add her bit when the 16 other members of the present senior class discuss "My Operation." Betty has returned from Weston, where she left her appendix, and isn't talking yet too enthusiastically about operations.

But that's an old story to the 16 seniors who have been initiated. Although most of these have had minor operations, they can still talk of "my operation."
