Number 8

CUBBING PROGRAM WILL BEGIN SOON

Parents Who Want to Sponsor
Their Boys as Cubs Will Meet
With Training Committee.

Parents of boys aged nine, ten and eleven years will receive, within the next two weeks, a letter about "Cubbing," a Younger Boy Program of the Boy Scouts of America being sponsored by the local P. T. A.

Parents who are interested in their boy's becoming a Cub will have an opportunity to learn something about the program in three meetings which will be called soon by the Training Committee; the Rev. Gilbert Moore, Harlie Hauman and Dr. H. F. Withers. Both the father and the mother are urged to attend these meetings.

Cubbing, which is centered in the home and the natural play area of the boy, trains him to become a Scout. Meetings are held during daylight with much of the work learned at home with Mother and Dad helping.

A Cub enters as a Bobcat, at the age of nine; at ten, he becomes a Wolf; and at 11, a Bear. He then graduates into Scouting. As a Cub he promises to: Do my best, Be square, Obey the law of the pack.

Definite plans concerning the program will be announced soon.

4-H MEETING FRIDAY

There will be a meeting of the High School 4-H club, Friday evening, November 13, at the home of Johnny Wagner, president of the club. Refreshments will be served.

Dear Students,

On Armistice Day, let us remember that our dough-boys are still fighting to preserve Democracy, and our country.

—GLENNY HIGH.

LEAVE FOR HUNTINGTON

Left to right, front row: Mary Anne Ellis, Carolyn Hull, Verna Dean Ellis, Neil Reed, Margy Jack, Peggy June Adams. Back row: Jack Bailey, Carl Young, Karl West, Kenneth Fisher, James Reed and Harry Stewart.

GASOLINE RATIONING CARDS TO BE ISSUED MONDAY AND TUESDAY

Persons desiring to make application for gasoline Rationing Books A for passenger vehicles may do so at the High School building on November 9 and 10.

Those persons making application should have with them the following information: License number, year model, make of car, body type, and serial numbers of mounted tires and one spare. Books will not be issued to those persons who have more than five tires for any one car.

If tire has no serial number, make of tire must be listed.

Truck owners will not apply for A books. They will secure their books from the Rationing Board in the Court House.

These books will have to be presented, beginning Nov. 22, in order for the owners to secure gasoline.

FIRST AID CLASSES CONTINUE THIS WEEK

A first aid course was begun here November 2, and will continue for two weeks. The chief instructor is the Reverend Lloyd Arehart, assisted by Miss Mary Louise Lewis and Miss Crystal Summers.

The classes last week were held at 7:30 P. M. on Monday, Tuesday, Thursday, and Friday in the gymnasium. Classes will continue this week.

NEW NAMES ADDED TO SATELLITE LIST

Clever Ideas Used By Students
In Subscription Campaign.

The Satellite staged a "come-back" subscription campaign the past week, with rates reduced from 30c a semester to 20c and from 50c a year to 40c.

Fourteen new subscribers were added to the list.

Many clever and original ideas were used in announcing this campaign.

Miriam McQuain, senior and member of the journalism class, received a prize and much comment for the most original costume at a Halloween party at the Baptist Church when she came dressed in all kinds of paper bags with "Subscribe for the Satellite" and many other things written on them.

Also many students were seen wearing signs with clever slogans on them the first of last week.

FOUR CENTS CHARGED FOR "YOUNG EAGLES"

The first picture that admission was charged for this year was shown the past Thursday. The name of the picture was "Young Eagles," a Boy Scout picture. The admission was four cents.

Buy War Bonds and Stamps.

CHORUS GROUP TO LEAVE HERE TODAY

Seven Students From Glenville
Will Go, With Other County
Students, to Huntington.

Seven students from Glenville are leaving today by bus for Huntington where they will participate in the All-State Chorus of 1942 at the State Education Association.

These students and seven others from other county schools, who have been practicing for several weeks, gave a concert at Sand Fork High School the past Friday.

The program at Huntington will be broadcast over a West Virginia network Friday night.

The students from Glenville who will attend are: Peggy June Adams, Nell Reed, Carolyn Hull, Verna Dean Ellis, Kenneth Fisher, Karl West, Jack Bailey, Carl Young, and Harry Stewart.

This is the first year that Glenville has had students in the All-State Chorus for a number of years. Usually students from the larger schools make up this group.

Glenville students who have missed classes for practice will make up work which was missed.

SENIORS WILL WRITE TO FORMER STUDENTS WHO ARE IN SERVICE

The senior class has taken as project for the year, writing to soldier boys who have graduated from or at one time attended Glenville High School.

A committee, consisting of Ted Fultineer, Bob Whiffing, Mary Lila Luzader, Della Yeager, Betty Gainer, and Karl West, has been appointed to make a list of all of these boys. After this has been done, further plans will be made for carrying it on.

The Satellite will not appear next week. Since Miss Pickens, the adviser, and several of the staff will be working with the gasoline rationing cards and school will not be in session Wednesday, it will be impossible to get material ready for the printer on Thursday.

The paper will appear the following week, as usual.

THE SATELLITE

The Satellite is published every Monday by the journalism class of Glenville High School.

Subscription: 50 cents a year; 30 cents a semester.

ONLY REAL ALL-AMERICAN TEAM IS ONE ON THE BATTLEFRONT

"The only real all-American team is the one fighting the Japs and Nazis." These patriotic words were spoken by a prominent football coach a few weeks ago. He was right. These boys are the greatest team in history. All of them are stars. They are not chosen because of their ability to do great things on the gridiron, rather their ability on the field of battle.

Each year a ballot is taken to choose an All-American football team. The custom will probably be followed as usual this year but when we see this team announced in the paper we should remember that this year it is different, that a real All-American team is fighting for us for victory.—Jack Rader.

SNOW BRINGS BEAUTY

Snow has its beauty as well as the cold atmosphere that it brings with it.

Each snow flake has altogether a different design from his brothers and sisters which may be large, small, fat and thin.

A lot of stories and imaginative dreams are connected with snow. You can imagine when the ground is covered with the soft and peaceful snow sitting in front of the warm and odorful fireplace eating popcorn, reading or telling a story.

Sledriding, skiing, tobogganing, and ice skating are all close relatives of snow. But snow also brings its own ills: colds, sore throats, flu, and other such things. These things are usually over-looked, because the younger people as well as the older look forward to the first big snow.—Anne Withers.

WORLD HOPES THAT ANOTHER ARMISTICE WILL BRING LASTING PEACE

Armistice Day is celebrated each year as the anniversary of the end of a war which was fought "to end all wars." On November 11, 1918, the fighting forces in France, Germany, and the rest of the world laid down their arms. They had finished their fight. They came home again.

This year, 1942, finds us in another war, a war for freedom—four freedoms for the whole world. And again we will celebrate Armistice Day as always, but with even more feeling for now we begin to realize the things those men fought for, and gained, only to lose again.

We are not only celebrating the end of a war, this year, but while doing so we are looking forward to another Armistice which will bring a lasting peace to all the world.—Miriam McQuain.

THINGS ARE ACCOMPLISHED WHEN PEOPLE PULL TOGETHER

This war vividly demonstrates what man can do when he has to do it. The world is witnessing an enormous capacity to cooperate, a pulling together for a common end, a willingness to work for long hours to produce implements of war.

What would have happened to our world if ten years ago man had begun to make an effort for peace? There would have been no war. But instead of this, men who were dissatisfied and "land hungry" tried to strangle weaker nations and selfishly tried to control trade. This selfish policy is one of the basic causes of the war. Some day men will learn the lessons of peace even as they have been compelled by their own selfishness to learn the bitter, terrible, destructive, lessons of war.

We, today, cannot win this war unless we go all out in our war effort. We, who live in America, must cooperate now or we will not have the opportunity to cooperate later.—Mary Lila Luzader.

THRICE TOLD TALES

In the fall G. H. S. students turn their thoughts to love, same as they do in the spring, summer and winter. So we are answering an old, old question, "What Is a Kiss?"

Noun—Because it's common and proper.

Pronoun—Because it's possessive.

Verb—Because it acts upon an object.

Adjective—Because it modifies an act.

Interjection—Because it expresses feeling.

Conjunction — Because it brings two things together.

Sentence—Because it expresses a complete thought.

* * * *

This columnist has been thinking it over and has decided that she will put in her bid for the following, (if G. H. S. were to have a popularity contest). Please understand that this is just her opinion, not that of the Satellite staff or the student body. If there are any criticisms of the statements below, the line forms to the right.

Best dressed goes to Mary Sue Summers and Bob Bennett.

Most sociable — Peg Adams and Dick Fultineer.

Of course, this High School boasts many beautiful junior Misses but your reporter takes Betty Gainer as tops if you don't mind. Of the opposite sex she'll pick Ted Fultineer.

Best dancers—Bob Whiting and Nell Reed.

Of course, no contest is complete without a nomination for the loudest and the one who never talks—For the former she'll pick Tony George and for the latter Arnold Hall Johnson.

Most personality — Carolyn Hull.

Funniest—Bill Luzader.

Most bashful boy — Ronnie Gainer.

Most talented—Verna Dean Ellis.

Girl athletes—"Polly" Wilson and Jewell Rhoades.

Best dispositioned—Jack Rader and Kathern Wolfe.

* * * *

And Some Verse

Tony George, football star, Marjorie wonders where you are.

If you're just a little late She'll get her another date.

* * * *

Violets are blue

Roses are pink

If you go to a double-feature.

One show'll stink.

AUTUMN

The leaves come tumbling down In clusters of yellow, red and brown.

Autumn is in the air; You can feel it everywhere.

Autumn is a time of year That warns us winter's near

All except the pine trees

Have lost their brilliant green;

Now the yellow, red, and brown

Form a pretty color scheme.

—James Harper, '45.

JOHNNY
STUDENT
SAYS:

Part of our Choral Club is going to Huntington this week to represent Glenville High School and Gilmer County at S. E. A. This certainly is a good opportunity to show what schools as small as ours can do. With so many good singers going we are sure to be well represented.

But the Choral group is not all along the musical side that is strutting their stuff. Our band will play this week before the Woman's Club. Starting under extraordinarily hard conditions, Mrs. Rohrbough is beginning to shape the band up. From a group composed largely of new members and little experience she has made a band to be depended on for good performances. So our Band does deserve much credit; more than can be at first seen.

Then our football team is closing a successful season on Wednesday. After a dismal start, the team has come up against bad breaks. Now the old "T" is really clicking as the wagon rolls on the final stage.

MISS WOLFE ILL

Miss Lucy Wolfe, second grade teacher, is confined to her home, where she is recovering from a mild case of scarlet fever.

Her sister, Elouise, taught in her place for two days. It was decided best to quarantine the entire second grade, so there was no school the latter part of last week.

Miss Wolfe will probably be absent from school for three weeks.

The first state-wide blackout will be held November 10 between the hours of 8 and 12.

Buy War Bonds and Stamps.

RED TERRORS TRIM GASSAWAY ELKS 12-6

Second Half Splurge by Terrors Gives Them Win Over Braxton County Rivals.

Striking unexpectedly in the second half, the Red Terrors defeated their old foes of Gassaway High at Gassaway Oct. 31 by a score of 12-6.

Gassaway opened the scoring in the first quarter when Frame scored from the 2-yard line after a 60 yard march by the Elks. The attempted place-kick for the extra point was wide.

In the second half, however, the Red Terrors came back strong. They marched to a touchdown the first time they received the ball. With Fultineer bearing the brunt of the attack, the Terrors drove to the Gassaway 2, where the Terror quarterback drove over a touchdown. A Fultineer pass for the extra point was incomplete.

In the fourth period Glenville started rolling again with a series of line plays which took the ball to the Gassaway 20, from which point Fultineer passed to Gainer for what proved to be the winning touchdown. Again a pass for the extra point was incomplete.

The Terrors outplayed Gassaway most of the game, registering 14 first downs to 8 for the latter.

Lineups:

Glenville		Gassaway
Gainer	LE	Ankrom
Barker	LT	Moore
Ellis	LG	King
Yeager	C	Hickey
J. Porter	RG	Hall
Reed	RT	Skidmore
Whiting	RE	Mathany
Fultineer	QB	McCray
Williams	LH	Frame
Wolfe	RH	Keith
George	FB	Smith

Score by quarters:

Glenville	0	0	6	6-12
Gassaway	6	0	0	0-6

Referee: Newt Anderson.

TWO FILMS TO BE SHOWN AT COLLEGE AUDITORIUM

Two films, "Bouncing Molecules," a comedy, and "The Manufacture of Synthetic Rubber," will be shown on Thursday evening, November 12 at 8 o'clock in the College auditorium. There will be no admission charge.

R. A. McDaniel, representative of the Standard Oil Company, will show the films. Mr. McDaniel and his brother spoke in Glenville the past summer.

Miss McGee—What is the plural of solo?
Jessabel—Duet.

SPORTS NEWS AND VIEWS

By JACK RADER

The annual Red Terror-Burnsville game on Armistice Day promises to be one worth seeing as the teams are about evenly matched. Every year this game draws a large crowd and the many fans who go to it really see their money's worth.

It is hoped that conditions will permit basketball to be played this year. However, if it is necessary to abandon this winter sport, it will be to help the war effort by conserving tires and gasoline. The College and High School will probably start practice about a week before Thanksgiving. G. S. T. C. is expected to have such veterans as Lilly, Whetsell, Spencer, and Rodriguez on hand, while the High School will welcome back again such stalwarts as Fultineer, Whiting, Yeager, George, Wolfe, and a newcomer to the squad, Rondall Gainer, who performed for Tanner High last season.

The national leader, Ohio State, was dropped by Wisconsin's Badgers for the Buckeyes' first defeat of the season. Ohio State should get back into the win column this week against Fordham, Duquesne-Mississippi State, Penn-Penn State, West Virginia-Kentucky, Minnesota-Iowa, Notre Dame-Michigan, Wisconsin-Northwestern, Alabama-Georgia Tech, Duke-North Carolina, Tulane-Georgia Naval Cadets, Marshall-Morris Harvey, Virginia Military-William and Mary, Missouri-Oklahoma, Nebraska-Pitt, and Texas-Texas Christian.

RECEIVES NEW BOOKS

The library has recently received some new books among which are "General Douglas McArthur, Fighter for Freedom" by Francis Trevelyn Miller, and several new books on aeronautics, announces Miss Helen McGee, librarian.

GLENVILLE PIONEERS DOWN FAIRMONT 25-6

The Glenville Pioneers defeated Fairmont's Fighting Teachers at Rohrbough Field 25-6, with fullback Billy Karantonis scoring three of the touchdowns, the Pioneers rolled to a victory which more than avenged the 13-0 loss they suffered last year from the Teachers.

The Pioneers struck in the first quarter when, after a series of line plays, Karantonis bulled his way across the goal line for the first score. Rodriguez's placement was good and G. S. T. C. led 7-0.

In the second quarter Karantonis scored again after Glenville had again marched down the field. This time the attempt for the extra point was no good.

Fairmont came back to score their only touchdown in the same quarter. Starting from about the 40 yard line, Pence, Marra, and Owens took turns in lugging the ball to the one yard line where Pence went over. His try from placement for the extra point was wide.

In the third quarter Kafer blocked a Fairmont punt and recovered it on the Teacher 2. Karantonis cracked the line for the third touchdown, but Rodriguez's placement try was no good.

With about 3 minutes of the game left, Bailes snagged a desperation Fairmont pass on the latter's 30 yard line and raced to another touchdown. Again the try for the extra point failed.

TERRORS' SEASON TO END AT BURNSVILLE

Armistice Day Affair Promises To Be a Hard Fought Struggle.

The Red Terrors will close their football season on Armistice Day, when they play their annual game with Burnsville High. Whether played here or at Burnsville, this game invariably draws the biggest crowd of the season for it is always a hard-fought, thrilling struggle. Last year's contest at Glenville was a perfect example of the kind of game that is played when these two rivals meet, with the Terrors being forced to the limit to eke out a 6-0 win over the Braxton Countians, who might have won or at least tied the game except that the touchdown they scored was called back because of an infraction of the rules on their part.

'HOME AND FAMILY LIFE' DISCUSSED AT MEETING

The Parent-Teachers Association met for its second meeting the past Thursday night. Mrs. Garland Brannon had charge of the program, "Home and Family life," which concerned the relationship of the family life to every day problems from pioneer days to the modern home.

Mrs. H. F. Withers discussed "Parenthood, a Profession" and Mrs. Ed. Mackey, "On the Home Front." Margy Jack, senior, gave a short talk on what she expected her home life to give her that would help her with a future home.

The Elementary Glee Club, under the direction of Miss Mary Young, contributed music to the program.

STUDENTS TO CANVASS DRIVE FOR OLD SILK

The Student Council is sponsoring a drive for old silk. Thursday, Nov. 12, a group of high school boys and girls will canvass the town for any old silk that may be had. All citizens of Glenville and vicinity are urged to look up all old silk that is not being used. Silk is one of the essentials for the war effort.

HOME ROOM MOTHERS MEET

The Home Room Mothers held a meeting the past Thursday night before P. T. A. They discussed ways of raising money. Mrs. Clyde Luzader, chairman, had charge of the meeting.

FLING, KEITH, ROBERTS ELECTED BOARD MEMBERS

E. G. Rohrbough, former president of Glenville State Teachers College, carried Gilmer county by a 22-vote margin over Andrew Edmiston, democratic candidate for House of Representatives, according to an unofficial report from the county clerk's office.

Fleet Fling and Wayne Keith were elected as the long-term members of the Board of Education and Dr. L. J. Roberts for short term member.

Earl Hardman was elected county commissioner over Lee Whiting, while Arlan Berry was chosen House of Delegates member.

Gilmer county went democratic, as usual, by casting a majority of its votes for Neely, Rosier, Thomas, and L. J. Morris.

An overwhelming majority of votes was cast for the Ratification of the Good Roads Amendment.

MANUAL ARTS CLASS HAS DIFFICULTY IN SECURING MATERIALS

Classes are at work on many interesting things. The ninth grade English class has completed a study of "The Lady of the Lake." The students have been doing some interesting work along with the study of the poem. Jean and Hattie Brannon made a relief map of The Lady of the Lake country; some students drew pictures of scenes in the poem and others made outlines.

Mr. Hull, manual training instructor, said that the class is unable to get many kinds of wood this year, therefore he is letting some students work on whatever they want to make with his approval, if they can make them out of wood which they can get. Some of the boys

OPINIONS OF STUDENTS AND FACULTY ON THE RED TERROR-BURNSVILLE GAME

1. COACH STANLEY HALL—The team that is in the best condition physically and mentally—will win the game.

2. MARGY JACK—I think the Red Terrors will win, but only after a long, hard fight, and so they must be given the best of support.

3. JACK PORTER—if we play the whole game like we played against Gassaway the second half, we'll bring home a victory.

4. JOHN WAGNER—The Terrors will win after a tough battle. The one-man backfield must be stopped.

5. DON SHREVE—I think that we will win, but if Burnsville gets many breaks they may win. It promises to be a good game.

are working on tables and some on cabarets.

The tenth grade biology class has just finished studying the Plant Kingdom and is now studying the Animal Kingdom.

The business training class is making charts and budgets.

In American History students are studying the Critical Period.

Typing is still the same old thing—Budgets, Budgets, Budgets!

MUSICAL NOTES

As I was making my rounds the other day I heard a sound in the distance. It sounded like a Hindu chanting a prayer to the gods, but as I came nearer I found it to be Woody Herman's recording of "Amen."

"Praise the Lord and Pass the Ammunition" came from Number Nine on the Hit Parade to Number 2. The song got its name when the Navy Chaplain stationed at Pearl Harbor cried "Praise the Lord and pass the ammunition" when the gunner nearest him was shot down. Kay Kyser's recording of this popular tune is recommended.

"I've Got a Gal in Kalafazoo" by Glenn Miller is still a popular disc.
