## BULLETIN

The Red Terrors upset Walton High 41-0 in their homecoming game Friday afternoon at Rohrbough Field.

## School Hot Lunch Is Eaten By 173 Pupils

Hot lunch at Glenville high school began Monday, September 11 with one hundred and seventy-three students eating. The price is unchanged except for a single meal ticket, which is twenty cents. "The reason for this," said Mr. Stennett, "is to do away with the rush for tickets at twelve o'clock each day."

Two dozen each stainless steel knives, forks, spoons, and fifty plastic division plates are to be added to the hot lunch equipment, a new laboratory is to be installed in the dining room, and the manual training boys are building doors for the top shelves in the kitchen.

The cooks are Mrs. Wanda Hughes, Mrs. Mamie Wilson, and Mrs. Jessie Luzader.

## John Jamison Travels Over United States And Two Provinces Of Canada

John Jamison, a junior in Glenville high school, had a vacation this summer that is well worth remembering.

At the end of school, John went to Florida for one month to visit Joe Nutter, a graduate of Glenville high school in 1948. Some of John's time was spent deep sea fishing, water skiing, and sight seeing in Cypress Gardens.

Later this summer John accompanied Charles Griffith, Max Marshall, and Weber Bagwell on an automobile trip. This trip began August 13 and lasted until August 27. During this time, they covered a distance of 6,616 miles, were in eighteen different states and two provinces of Canada. While in Canada, John visited the National Exhibit in Toronto.

Other interesting places John visited were: Boys Town, Nebraska; Yellowstone National Park and the the Illinois State Fair. On the return trip, while stopping in New Big Horn Mts. in Wyoming; and York City, John saw the Statue of Liberty, Coney Island, Holland Tun-

Get The Best For less than the rest For friendly service Stop At OLD MILL TAVERN

With vacation time over, we go back to the old grind again, and we find that the evil eye has been peeking around corners, through keyholes, and so forth, to find out the school gossip. We discover that with the new year comes new romances. Billy Joe Hewitt has captured Roberta Jarvis' heart. Several ninth graders think Bobby Wilson is cute. Betty Turner goes Navy while Marlene Brown and Tomabell Jones are Tanner-bound. Alice Ann Griffith thinks college graduation rings are nice. Gela Reed likes the big tall Texas guys, but Josephine Wenzil just wants to go north and be an Eskimo so she can be near Frank Pumphreys. Emma Jean Pritt has her head turned toward Lost Creek. To whom? Dale Meley? While all this is going on, Patty Hardman is having trouble trying to attract Brent Cook's attention. Now for some old romances: Jim Furr, Bob Reed and Fernan Rhoades have their eyes on the college. Old steadies are: Louise Smith and Kenneth Starrett, Louise Meadows and Bill Rhoades; Doris Jean Ashcraft and Bill Dodd. It's rumored that Anne Lynn Hickman has lost her self.

# RED TERRORS PREP FOR HOMECOMING GRID TILT

## Will Meet Walton In Contest Here

### Alice Anne Griffith To Reign Over Festivities

The Glenville Red Terrors will meet the Walton Tigers in their annual homecoming game, Friday, October 6. Alice Anne Griffith has been elected "Queen for the day" by the student body. Walton under the new coach, in the person of Roy Lester, former West Virginia University star, is expected to give the Terrors strong competition. The Terrors are "up" for this tilt, and a good crowd is expected to be on hand to cheer them on. Princesses for their respective classes are: Patty Floyd, 7th; Anne Lynne Hickman, 8th; Dora Dulaney, 9th; Lenora Moore, 10; Patricia Greenleaf, 11; and Wamema Davidson, 12th.

After the game the annual homecoming dance will be held in the town hall at 8 o'clock. Clark Wolfe's orchestra will play for the dance.

## Red Terrors Defeat Jane Lew Redskins 26-0 In Lidlifter

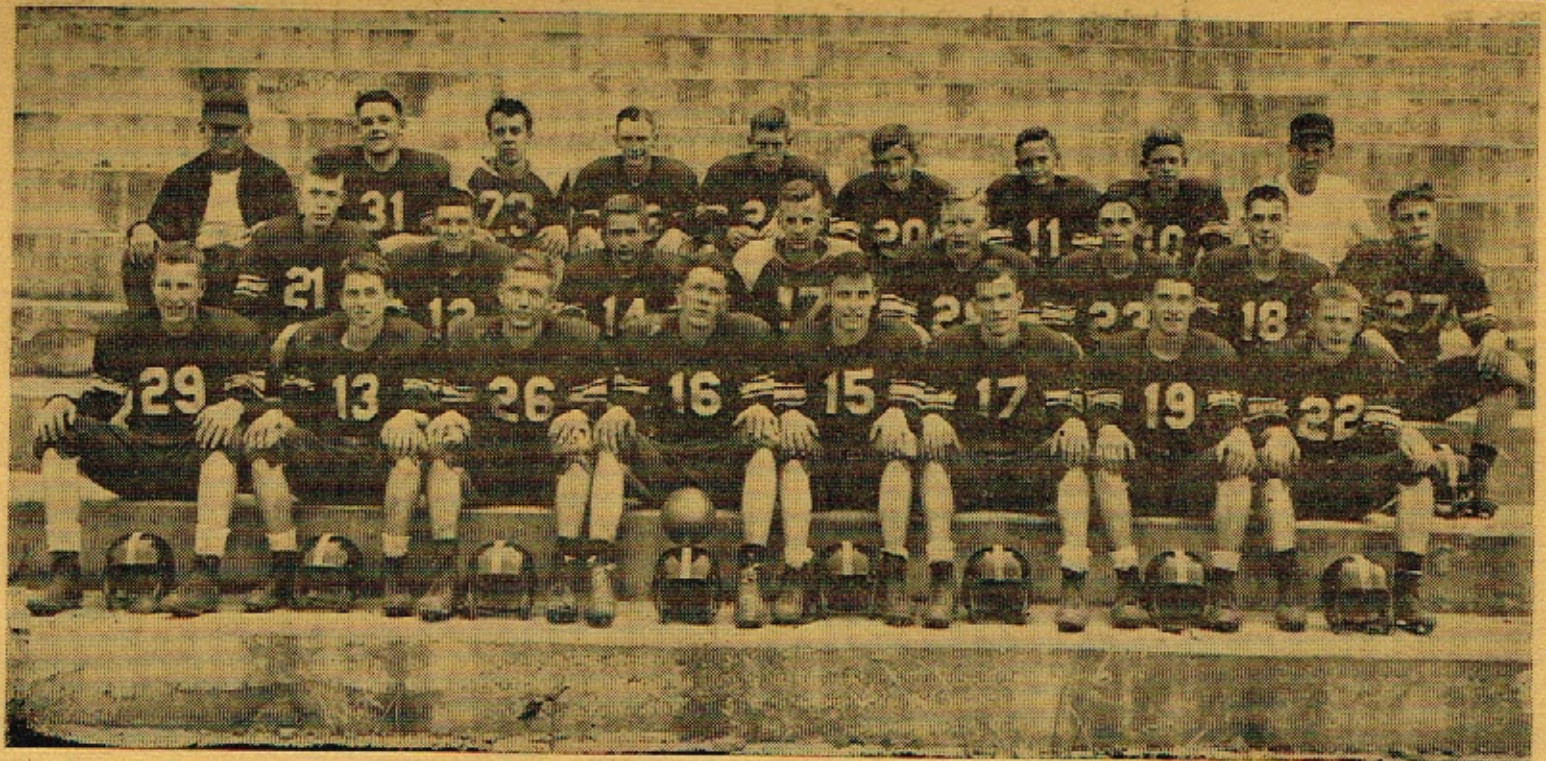

The Glenville high school Red Terrors opened their football season in fine style Thursday, Sept. 7, as they defeated the Jane Lew Redskins 26-0 on the Weston high school field.

Glenville's first touchdown came on a line plunge by Ellison after a Glenville had taken advantage of a Jane Lew fumble in the first quarter. Ellison also made the extra point. Taking advantage of another Jane Lew fumble, Glenville scored again in the second quarter on a 12 yard run by Nocida. Try for the point failed.

In the third quarter Hyer opened an aerial attack which was good for a score with end Bob Reed gathering in a pass in the end zone.

Shortly afterwards, Hyer connected with Reed for another TD to make the score 25-0. Nocida then made the point to end the game.

Missing the game because of injuries were John Shock and Joe Floyd.

### THESE TERRORS ENTER FOURTH HOMECOMING IN HIGH SPIRITS

They have their job cut out for them to-day, these Red Terrors, as they attempt to keep their homecoming record of no defeats unscarred. Left to right, first row, are Ronald Van Horn, Tom Hyer, Bill Boggs, Bob Reed, Bill Dodd, Bud Huff, Bernard Ellyson, John Shock, jr.

Second row: David Hall, Dominic Nocida, Leroy Stennett, jr., Linn Hiney, Dick Varner, Kenneth Starrett, Fermen Rhoades, Cecil Reaser, jr.

Third row: Joe Floyd, Haymon Boggs, jr., Jim Ferrell, Denzil Huff, David Reed, Bill Woodyard, Bill Stout, and Coach Woody Wolfe.

### THUSE IS HELD

A thuse meeting was held Thursday, September 28 at three o'clock in the auditorium for the Glenville-Burnsville game. The new cheerleaders: Patty Hardman, Susan Arnold, Pat Greenleaf, and Alice Anne Griffith were in charge of the meeting.

Mr. Stennett gave a short talk concerning the importance of orderly fire drills to be had in the near future. Signals to be used in case of an emergency were discussed.

## Blue Devils Defeat Red Terrors 38 - 14

Glenville high school's Red Terrors went down to defeat Friday, Sept. 15 at the hands of the Sutton Blue Devils who romped to an easy 38-14 victory in a game played at Sutton. Sutton went ahead on a line plunge, and added the extra point to make the score 7-0. The Blue Devils scored another touchdown in the first half to lead at half-time 13-0.

Glenville took the second half kickoff on their own 40 and started a drive that carried deep into Sutton territory, with Reed scoring the touchdown and extra point on passes from Hyer. After that touchdown the Terrors bogged down almost to a standstill, being scored on twice in the third and twice more in the last quarter. Midway in the fourth quarter the Terrors came to life once more. This time the Terrors drove to the Sutton 15 where Shock ran the ball around end for the touchdown. Ellison added the extra point on a line plunge to make the final score 38-14.

## Buckhannon - Upsur Added To Terror Schedule

Coach Woody Wolfe announced the past week that the Red Terrors will play Buckhannon-Upsur high school in a night game scheduled for West Virginia Wesleyan college's field at Buckhannon Friday, Oct. 27. The Buckhannon team lost its first two outings to the Big Reds of Parkersburg, and Weston high school respectively, while winning over a strong Elkins eleven on Sept. 22. The Buckhannon game will mark the first meeting of the two schools on the gridiron.

Three weeks prior to the Buckhannon game the Terrors will play the Walton Tigers in a game scheduled for Glenville state college's field. This year the Tigers are playing under a new coach, Leroy Lester, former West Virginia University player.

The Tigers have won one game thus far in the season, beating the Burnsville Bruins 28-13, after losing their opener to the Spencer Yellow Jackets, 32-0.

The following Friday, Oct. 13, the Terrors will take on the Clay Panthers in a game which is also set for Glenville's field. The Panthers won their opener from Lookout, 28-12, but faltered against a strong Sherman team, 14-0.

On Friday, Oct. 20, the Terrors will travel to Gassaway for a night tilt with the Elks, who have lost to Webster Springs, 14-6, and Cowen 6-0, after winning their season's opener against Burnsville, 40-6.

## Terrors Are Defeated By Ripley Team, 28-0

After a scoreless first quarter, the Glenville Red Terrors became erratic and liberally gave away three touchdowns as they lost to the Ripley Vikings at Ripley 28-0 Friday night, Sept. 22.

The first quarter was a stalemate affair with neither team being able to gain more than 15 yards. But in the second quarter the Viking's speedy halfback, Anderson, took a punt on his own 30 and carried it all the way back for a touchdown. This apparently took the life out of the Terrors.

The Vikings showed good defensive power, holding Glenville to one first down.

Ripley scored again in the second quarter on an end run by Ludwig. Anderson kicked the point.

In the second half, Ripley's offense clicked more smoothly, as they scored two more touchdowns, one by Anderson, and one by Ludwig. Anderson had a perfect night at kicking extra points as he place-kicked four extra points.

## Home Ec Department Gets New Equipment

Added to the home economics department the past week were two electric sewing machines, purchased by the Gilmer county board of education.

Mrs. Butcher, home economics instructor, says, "There were thirty-five students with only two machines, and these machines will speed up the work of the home ec classes."

The rooms in home ec department have been painted and a new heating stove installed. The sewing room was painted a combination of yellow and green, and the kitchen was painted a bright blue. The heating stove was transferred from manual training room.

### FIVE IN SHOP CLASS

Five students reported to Mr. Garrett's manual training class Tuesday morning, Sept. 5. Ferman Rhoades and Jim Furr were the only seniors who signed up for the class. Three juniors, Homer Holloway, Bill Stout, and Tom Hyer, completed the roll. This year's class is comparatively small to the preceding year's enrollment of 16.

### SENIORS BUY CARDS

Members of the senior class of Glenville high school ordered their announcement and calling cards from the Josten company, September 14. Mr. Claude R. Linger, Josten representative, displayed five different styles of announcements.

New typing books were received Monday Sept. 18. Students, who are enrolled in either of the typing classes may purchase their books or rent them from the school. Price of the books is \$2.00 and the rental rate is \$1.00 a year.

Anne Lynn Hickman is now writing a "Teen-Age" column for the Glenville Democrat.

Mr. and Mrs. Jack Fling are announcing the birth of a baby daughter, Terell Lyne, born Aug. 31. The mother is the former Miss Doris Williams, '50. The father is an alumnus of Tanner, class of 1944.

The student council member-at-large from the senior class will be elected by the student body soon.

### BEWARE!

Drivers of eleven cars were awarded traffic tickets Monday, September 18 for parking in a no parking zone in front of the high school building.

The drivers were teachers and students in high school and college.

## Leavings From The Editor's Desk

Everyone seems in bright spirits as school starts once again, and we look forward to many more football games, Christmas vacation, basketball, spring, and then graduation, getting into school routine once more.

The seniors, with Mr. Wolfe as their new sponsor, are wondering "Am I really in my last year of high school?" When one stops to think, twelve years isn't as long as it seems.

Student teachers from Glenville college will be coming back to begin teaching classes some of them once had in the same familiar rooms.

Many students and graduates of Glenville high school attended the opening high school football game at Weston. Proud people returned home, some of them thinking, "Remember when?"

The new journalism class is facing many problems in publishing the school paper. This year the class is smaller and inexperienced, but we hope to combine our efforts and publish the paper with the best of our ability. Here's hoping we succeed!

## SPORT SHORTS

With the gridiron sport clouding the scene, the major league pennant races still hold the national spotlight. It looks as though the "whiz kids" of Philadelphia are going to win the senior circuit going away, but in the American league it is a dead heat down the stretch, with New York, Boston and Detroit running neck and neck.

Turning to football, the nation's large colleges are prepping for their openers while most of the state's high schools have already played one or two games. Glenville high school, after winning their opener 26-0 over Jane Lew, fell to Sutton 38-14 largely because of the lack of practice the previous week. Missing from the line up against Jane Lew were: John Shock and Joe Floyd, who were out because of injuries; Harold Fluharty, deceased; and Jim Furr, out because of a recurrence of an old knee injury; Bill and Lynn Holstein, who transferred to Colorado.

John Shock, who missed the Jane Lew game, saw action in the Sutton game. Ferman Rhoades will be out for two or three weeks because of a knee injury received in the Sutton game. Joe Floyd, who broke his leg in a pre-season drill, is expected to see limited action in the Ripley game.

After a long search, Bob Turner, last year's basketball and football star, was finally captured by the "Thundering Herd" of Marshall. He is now attending classes at that institution. Everyone wishes "Big Bob" all the luck in the world. Speaking of basketball, Coach Woodrow Wolfe has started a schedule. So far, only four games are on tap, two with Normantown and two with Troy, but the limit of twenty games is expected to be met by the time snow flies.

## Miss Nadine Clark Elected Queen For GSC Homecoming, Glendale Wite Pioneer

Glendale White, well known GSC student from Cowen, was named Homecoming Pioneer, and pretty Nadine Clark was selected Queen to reign over the annual Alumni Association sponsored event at a high-geared GSC student body election.

Princesses for the annual event - expected to draw thousands to the Glenville campus - were named, including Maxine Elliott, senior class; Doris Perkins, junior class; Dorothy Terrill, sophomore class, and Ronda Ellis, freshman.

Escorts for Queen Nadine's court were also selected. They were Larry Gainer, junior; William Rosenlieb, sophomore; and William Smith, freshman.

Queen Nadine, a commerce major

from Cowen, will be the central figure of the annual parade, and will be coronated at ceremonies conducted by President Harry B. Heflin at 11:15 a. m., while Pioneer White, physical education major from Cowen, will lead the parade and will participate at activities throughout the day.

Activities for the day will include a parade through town at 10 a. m.; coronation of the queen at 11:15 a. m.; football game between Davis-Elkins and the Pioneers at 2 p. m., and the annual dance in the evening.

The parade will include floats from the various college and town organizations and schools; the Weston, Spencer and Calhoun County high school bands, along with the Glenville State aggregation.

## From Far-Off Puerto Rico Comes Student At Glenville State College

Rafael Munoz, of Puerto Rico, has enrolled at Glenville State college for the fall term, bringing to two the number of students attending the school from out of the United States.

Munoz, whose father, Rafael Munoz, sr., is superintendent of schools in Rio Pidrás, was born in Ciales, Puerto Rico.

Rafael came to the United States in 1948, after attending Puerto Rico Tech and the University of Puerto Rico. Before coming to Glenville this fall he attended Arkansas A. M., and Dana college in Nebraska.

He says after the short time he has been here, "I think Glenville State college has a friendly environment, and offers many good opportunities."

## Representative Of Social Security Office To Visit Here On October 20

V. T. Handley, manager of the Clarksburg Social Security office, announced today that a representative of that office will be at the Gilmer County Court House, Glenville, at 10:30 a. m., October 20. The representative especially wants to see people age 65 or over, whose claims for old-age insurance payments were previously rejected because of insufficient periods of work in a social security covered job, and who have not recently filed a new claim.

Under the amended law, a worker now 65 years of age needs only six quarters of coverage acquired at any time since 1936 to be eligible for benefits. Mr. Handley urges these people to come to the Court House at 10:30 a. m. and file new claims for old-age and survivors insurance under the new social security law.

In addition, widows with minor children, and guardians of minor children of deceased World War II veterans should see the representative for an explanation of their rights under the amended law. All persons contacting the representa-

tive are reminded to bring the worker's social security card or a record of the number with them.
